## **STATE ROUTE 330 PROJECT UPDATE** ***SR-330 open while SR-38 is closed for fire***

**San Bernardino County** – Caltrans will keep State Route 330 (SR-330) open to the public twenty-four (24) hours a day under reversible traffic control (escort with pilot car) until State Route 38 (SR-38) reopens. SR-38 closed yesterday afternoon when a wildfire broke out around 3:00 p.m.

Once SR-38 reopens the SR-330 escort schedule will resume as follows:

**Now through September 4** – Escorts from 8:00 a.m. to 6:00 p.m. (7 days a week)

**September 5 through late September 2006** – Escorts from 5:30 a.m. to 8:30 a.m. and also 5:30 p.m. to 8:30 p.m. (7 days a week)

Motorists are advised that public and worker safety is our number one concern. Escorts may be canceled without notice due to slope movement or inclement weather. Please be alert for contractor work vehicles and equipment when traveling through the construction zone.

Trucks five tons and over will not be permitted on the route. SR-18 (Waterman Avenue) from SR-30 may be used as an alternate route. For more information on roadwork please go to our website at [www.caltrans8.info](http://www.caltrans8.info). Always remember to **slow for the cone zone.**

**Lives depend on it!**
